Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: 2019069076

Project Title: Maintenance District No. 1 Water Treatment Plant Upgrade Project

Lead Agency: Madera County Public Works Department

Contact Name: Raymundo Gutierrez

Email: raymundo.gutierrez@maderacounty.com Phone Number: 559-675-7811

Project Location: Friant (nearest city) Madera

City *County*

Project Description (Proposed actions, location, and/or consequences).

Madera County proposes to update and improve the MD-1 WTP and drinking water system to meet applicable drinking water standards and address the Compliance Order for disinfection byproducts by adopting post-treatment chlorination. Improvements to the system would also increase the capacity of the WTP to meet peak demands, fire flows, and foreseeable future domestic water demand.
*Update - Addendum to MND has been added, which now includes Storage Tank and Fill Line improvements as part of the water system improvements project.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Please refer to MND and Addendum.

Revised September 2011

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

N/A

Provide a list of the responsible or trustee agencies for the project.

- State Water Resources Control Board
