Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: Martins View Jersey Dairy Expansion Project

Lead Agency: Merced County

Contact Name: Diana Lowrance

Email: Diana.Lowrance@countyofmerced.com Phone Number: (209) 385-7654

Project Location: Unincorporated County near Gustine Merced
City *County*

Project Description (Proposed actions, location, and/or consequences).

CUP20-002 would allow Applicant to modify and expand existing dairy to house an additional 1,225 animals for a total of 2,450 animals. The project includes construction of 117,764 sq ft of new structures; 14,000 square feet of existing structures would be removed.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Construction dust: SJVAPCD-approved permit, Dust Control Plan, implement SJVAPCD rules and regulations
Criteria pollutants: No sensitive persons shall be allowed to live on-site during construction
Night lighting: County-approved Lighting Plan to modify existing and future lighting, comply with County standards
Undiscovered cultural resources: Follow County and State protocols should cultural remains/human remains be found
Nuisance insects: County-approved Vector Control Plan, comply with operational measures identified in ACO EIR
Stormwater runoff: Acquire and comply with SWRCB permit requirements, implement SWPPP
Groundwater contamination: Prevent contamination through implementing BMPs and groundwater monitoring; acquire written agreements from recipients of dry and liquid manure exported off-site
Land Use/Odors: Merced DEH-approved Odor Control Plan, implement nuisance-control measures.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
