Project Title: The Sequoias in The Meadows Residential Community – Vesting Tentative Tract Map (“VTTM”) 19299 and Site Development Permit (“SDP”) 10-23-5661		
Applicant Information:	Toll Brothers West Inc. Attn: Aylene Chu 350 Commerce, Suite 200 Irvine, CA 92620	
State Clearinghouse Number (If submitted to SCH): 2018071035	Lead Agency Contact Person: Marie Luna, Senior Planner	Telephone Number: (949) 461-3466
Specific Project Location – the northeast corner of the intersection of Bake Parkway and Rancho Parkway, Lake Forest, CA 92630		
General Project Location (City and/or County): Lake Forest, CA		
Project Description:		
<p>VTTM 19299 is a request to subdivide Lot 543 of Vesting Tentative Tract Map 18142, previously approved by the City Council on January 21, 2020, into 57 single-family lots, 11 commonly owned lots for access and infrastructure, and 19 commonly owned landscape lots. SDP 10-23-5661 is a request to construct “The Sequoias” neighborhood with 57 detached single-family units and associated improvements.</p> <p>On January 21, 2020, the City of Lake Forest City Council certified the Nakase Nursery/Toll Brothers Project Environmental Impact Report (SCH 2018071035) for Zone Change 05-17-5034, General Plan Amendment 05-17-5033, Area Plan 05-18-5166, Vesting Tentative Tract Map 18142 and the related Development Agreement for the Meadows Residential Community site. There have been no changes to the project evaluated in the EIR, no changed circumstances, and no new information about the project, mitigation measures or alternatives that would result in the proposed Project having new or more significant impacts than those evaluated in the EIR. The EIR was not challenged and thus is presumed valid in accordance with Public Resources Code section 21167.2. The proposed Site Development Permit is consistent with scope of the approved Area Plan 05-18-5166 and Vesting Tentative Tract Map 18142 and is required to comply with all mitigation measures contained in the Mitigation Monitoring and Reporting Program that was adopted in connection with the EIR. Therefore, the certified EIR serves as the environmental documentation for the project and the project is in compliance with the requirements of CEQA. Thus, no further environmental review is necessary pursuant to Public Resources Code section 21166 and State CEQA Guidelines section 15162.</p>		

This is to advise that the (Lead Agency or Responsible Agency) approved the above-described project on: December 5, 2023 and made the following determinations:

1.	<input type="checkbox"/>	The project will have a significant effect on the environment.		
	<input checked="" type="checkbox"/>	The project will NOT have a significant effect on the environment beyond those impacts previously identified in connection with the certified Final Supplemental Environmental Impact Report.		
2.	<input checked="" type="checkbox"/>	A previously certified Environmental Impact Report was prepared and covers this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.		
	<input type="checkbox"/>	A Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.		
	<input type="checkbox"/>	A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.		
3.	<input checked="" type="checkbox"/>	Previously imposed mitigation measures were made a condition of the approval of the project.		
	<input type="checkbox"/>	Mitigation measures were NOT made a condition of the approval of the project.		
4.	<input type="checkbox"/>	A Mitigation Monitoring or Reporting Plan was adopted for this project.		
	<input checked="" type="checkbox"/>	A Mitigation Monitoring Program beyond that adopted in connection with the previously certified Environmental Impact Report was NOT adopted for this project.

		<table border="1"> <tr> <td>Custodian: City of Lake Forest Community Development Department</td> <td>Location: 100 Civic Center Drive Lake Forest, CA 92630</td> </tr> </table>	Custodian: City of Lake Forest Community Development Department	Location: 100 Civic Center Drive Lake Forest, CA 92630
Custodian: City of Lake Forest Community Development Department	Location: 100 Civic Center Drive Lake Forest, CA 92630			

Pursuant to 14 CCR § 753.5(e)(3):

Only one fee shall be paid per project unless the project is tiered or phased, or separate environmental documents are required (Fish and Game Code section 711.4(g)). Separate environmental documents include EIRs, negative declarations, subsequent EIRs and negative declarations, and supplements to EIRs. Only one fee is required when an existing certified EIR is used for multiple project approvals that would result in no additional effect to fish and wildlife. An additional filing fee is required if approval of any separate environmental document would result in an effect on fish and wildlife not previously addressed in a certified EIR, Master EIR, Program EIR, Staged EIR, or General Plan EIR.

Approval of VTTM 19299 and SDP 10-23-5661 **would not** result in an effect on fish and wildlife not previously addressed by the Nakase Nursery/Toll Brothers Project Environmental Impact Report (SCH# 2018071035). Therefore, an additional Fish and Game Notice of Determination filing fee is not required (original fee paid January 22, 2020, see receipt attached hereto as "Attachment A").
