Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: Agua Caliente PSL-47 Cell Tower Project Signed FONSI

Lead Agency: Bureau of Indian Affairs

Contact Name: Chad Broussard

Email: chad.broussard@bia.gov Phone Number: 916-978-6165

Project Location: Palm Springs, Riverside County

City *County*

Project Description (Proposed actions, location, and/or consequences).

Cell tower project on existing Agua Caliente tribal golf course. Proposed action is approval of a lease allowing for construction and operation of the cell tower.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Potentially significant effects to land resources, water resources, biological resources, and cultural resources would be rendered less than significant after mitigation.

Revised September 2011

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

NA

Provide a list of the responsible or trustee agencies for the project.
