Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: 2023020567

Project Title: Regulatory Amendments Allowing Incidental Take During Work on Pre-existing Artificial Structures in MPA

Lead Agency: California Fish and Game Commission

Contact Name: Amanda Canepa, CDFW*

Email: amanda.canepa@wildlife.ca.gov Phone Number: (831) 277-9740

Project Location: Four coastal planning regions: North coast, north central coast, central coast, and south coast

City *County*

Project Description (Proposed actions, location, and/or consequences).

See attached

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The project would not result in any significant or potentially significant effects and would not require implementation of any mitigation measures.

Revised September 2011

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Implementing efficiency of the regulatory amendments, and compliance with regulations pertaining to cultural and tribal cultural resources.

Provide a list of the responsible or trustee agencies for the project.

The California Department of Fish and Wildlife (CDFW), acting on behalf of the Commission, would be responsible for implementing the modifications. There are no other responsible agencies with authority to implement the regulations. Trustee agencies that have jurisdiction over resources potentially affected by the project are CDFW, the California Department of Parks and Recreation, the California State Lands Commission, and the University of California (Natural Land and Water Reserve System).
