Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: 2021090162

Project Title: CAL FIRE St. Helena Auto Shop and Warehouse Replacement

Lead Agency: Califronia Department of Forestry and Fire Protection

Contact Name: Dakota Smith, Senior Environmental Planner

Email: dakota.smith@dgs.ca.gov Phone Number: 916-376-1700

Project Location: St. Helena / Calistoga (*City*) Napa (*County*)

Project Decription (Proposed actions, location, and/or consequences).

The Project will include, but not be limited to, a new 10,570 square foot (sf) auto shop, 7,200 sf warehouse, 1,700 sf covered vehicle wash rack, 1,400 sf covered pump test pit, 1,000 sf generator and fire pump building, 200,000-gallon fire water tank, and 1,000-gallon gas and 1,500-gallon diesel fuel vaults. The square footages stated above are approximate. The former auto shop was destroyed in an internal fire in 2019. The existing warehouse, tire shop, three sheds, and former auto shop concrete slab would be demolished to make room for the new auto shop, which would be larger than the previous one. The structures to be demolished are all located on the west site The existing fuel vaults would also be demolished and replaced with new vaults of the same size.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Biological: special-status plant surveys, special-status plant avoidance, special-status bird surveys, special-status bat surveys
Cultural: construction monitoring, retainer of professional archaeologist to judge discovery of unknown resources (if discovered), worker awareness training
Geology and Soils: monitoring of earth disturbing activity, retainer of professional paleontologist to judge discovery of unknown resources (if discovered)
Hazards and Hazardous Materials: hazardous materials survey compliance
Noise: construction equipment hours
Tribal Cultural Resources: measures to protect unanticipated tribal cultural resources discoveries

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None known.

Provide a list of the responsible or trustee agencies for the project.

Federal, state, and local agencies that would serve as either responsible or trustee agencies for the Proposed Project include: Air Resources Board, Caltrans District 4, CDFW Region 3, Department of Forestry and Fire Protection, Department of General Services, Native American Heritage Commission, Office of Historic Preservation, Department of Parks and Recreatoin, Public Utilities Commission, RWQCB District 2, Resources Agency, SWRCB, and Napa County Planning, Building & Environmental Services.
