Project Description (Proposed actions, location, and/or consequences).

The 2020 Alpine County Regional Transportation Plan will serve as the planning blueprint to guide transportation investments in the County involving local, State, and Federal funding over the next 20 years. The project area consists of the entire County of Alpine. Each project identified in the 2020 RTP contributes to system preservation, capacity enhancement, safety, and/or multimodal enhancements. This RTP focuses on developing a coordinated and balanced multimodal regional transportation system that is financially constrained to the revenues anticipated over the life of the plan (2040). No significant impacts were determined through the process of this Initial Study.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

This project does not contain any significant or potentially significant effects. Therefore, no mitigation measures are proposed.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Not applicable.

Provide a list of the responsible or trustee agencies for the project.
