Project Title: Bayside Covenant Church Phase II (Streambed Alteration Agreement No. 1600-2020-0087-R2)

Project Location (include county): The project is located at an unnamed tributary to Miner's Ravine, approximately 0.5 mile north of the intersection of Sierra College Boulevard and Cavitt Stallman Road, north of Douglas Boulevard, and directly adjacent and east of Sierra College Boulevard, in the County of Placer, State of California; Latitude 38.752947, Longitude -121.224969; in Section 4, Township 10N, Range 7E, U.S. Geological Survey (USGS) map 'Folsom', and Section 32, Township 11N, Range 7E, U.S. Geological Survey (USGS) map 'Rocklin', Mt. Diablo base and meridian. Assessor's Parcel Numbers [APNs] 046-090-420 and 048-030-083.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement number 1600-2020-0087-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Bayside Covenant Church (as represented by John Stewart).

The project is a component of the 34.6-acre Bayside Covenant Church Project (Overall Project), which was proposed to be constructed in two phases. Phase I of the Overall Project included the construction of multiple buildings and associated parking lots and is now complete. The activities addressed in this Agreement are part of Phase II of the Overall Project, which consists of the construction of the park/baseball field and associated infrastructure improvements.

The activities addressed in this Agreement are limited to the mass grading of the entire 11-acre Phase II project area to allow for the construction of the park/baseball field as well as infrastructure improvements including sewer, storm drain, and domestic water improvements along with topside improvements that require expansion and construction of associated parking lots. The grading will fill all on-site aquatic/wetland habitat areas including a portion of a channelized swale, two areas of seasonal wetland, a seasonal wetland swale, and a water treatment pond. One blue oak tree (*Quercus douglassii*) will be removed.

This is to advise that CDFW, acting as a Responsible Agency, approved the above-described project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project ☐ will / ☒ will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures ☒ were / ☐ were not made a condition of CDFW's approval of the project.

4. A mitigation reporting or monitoring plan ☐ was / ☒ was not adopted by CDFW for this project.
5. A statement of overriding considerations ☐ was / ☒ was not adopted by CDFW for this project.
6. Findings ☒ were / ☐ were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
