Project Title: Foster City Recreation Center Rebuild Project

Lead Agency: City of Foster City

Contact Name: Thai-Chau Le, Planning Manager

Email: tle@fostercity.org Phone Number: (650) 286-3244

Project Location: 650 Shell Boulevard, Foster City, San Mateo County, CA
City *County*

Project Description (Proposed actions, location, and/or consequences).

The existing 32,000-square-foot recreation center would be demolished and the new Foster City Recreation Center would be constructed in approximately the same location with a different, larger footprint. The new recreation center building would be two stories and a maximum of approximately 40 feet in height and approximately 40,000 square feet in size. The proposed project would also include improvements to Leo J. Ryan Park within the immediate vicinity of the proposed recreation center building.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Air Quality: Construction-period measures to ensure use of construction equipment that meets the California Air Resources Board Tier 4 emissions standards.
Biological Resources: Construction-period measures to reduce potential impacts to nesting birds and bats.
Greenhouse Gas Emissions: Incorporation of electric vehicle charging into project design.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
