Project Title: SR-118 Weigh Station Project

Lead Agency: Caltrans

Contact Name: Christopher Laurel

Email: Christopher.Laurel@dot.ca.gov Phone Number: (213) 269-1120

Project Location: Moorpark (*City*) Ventura (*County*)

Project Description (Proposed actions, location, and/or consequences).

The California Department of Transportation (Caltrans) proposes to construct Commercial Vehicle Enforcement Facilities (CVEF) in the east bound direction of State Route 118 (SR-118), between Hitch Boulevard and Montair Drive in the County of Ventura. The CVEF will allow California Highway Patrol (CHP) to monitor truck flow, enhance transportation safety issues, and reduce highway cost maintenance associated with overloaded trucks.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

There are no significant or potentially significant effects associated with the proposed project.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

As part of early project coordination, a Notice of Initiation of Studies was sent to relevant agencies, organizations, individuals, and elected officials. The notice was sent to property owners within a 1/2-mile radius of the project area. The comment period lasted 36 days from July 13,2023, to August 18, 2023. No issues were raised during the comment period and no areas of controversy are known at this time.

Provide a list of the responsible or trustee agencies for the project.
