Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: Unclassified Conditional Use Permit No. 3708 and Initial Study No. 8044

Lead Agency: Fresno County Department of Public Works and Planning, Development Services and Capital Projects Divi

Contact Name: Jeremy Shaw, Planner

Email: jshaw@fresnocountyca.gov Phone Number: (559) 600-4207

Project Location: Fresno County

City *County*

Project Description (Proposed actions, location, and/or consequences).

Allow the expansion of the existing Southern California Edison, Shaver Lake Service Center laydown yard with the construction of a new gated access road connecting to Dinkey Creek Road. The project will also include the installation of a 1,440 Square-foot mobile office/transmission trailer, within the existing laydown yard, on the existing 357.80-acre subject parcel, in the RC-40 (Recreational, 40-acre minimum parcel size) Zone District.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

It has been determined that there would be no impacts to Land Use and Planning, Mineral Resources, Population and Housing, Public Services, Recreation, and Utilities and Service Systems.

Potential impacts related to Agriculture and Forestry Resources, Air Quality, Energy, Hazards and Hazardous Materials, Geology and Soils, Hydrology and Water Quality, Noise, Greenhouse Gas Emissions, Transportation, and Wildfire have been determined to be less than significant.

Potential impacts relating to Aesthetics, Biological Resources, Cultural Resources, and Tribal Cultural Resources have been determined to be less than significant with compliance with noted Mitigation Measures.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No areas of controversey were identified by the lead agency, other review agencies or the public.

Provide a list of the responsible or trustee agencies for the project.
