Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: 2022 Tehama-Colusa Canal Authority In-Basin Water Transfers

Lead Agency: Tehama-Colusa Canal Authority

Contact Name: Jeff Sutton

Email: jsutton@tccanal.com Phone Number: 530-934-2125

Project Location: Willows, Glenn County
City *County*

Project Description (Proposed actions, location, and/or consequences).

This Mitigated Negative Declaration and IS/EA analyzes environmental impacts of proposed water transfers from willing sellers to buyers in the Sacramento Valley to help address water shortages. This environmental document includes transfers of Central Valley Project (CVP) water from entities in northern California to participating members of the Tehama-Colusa Canal Authority. The water would be made available for transfer through a combination of cropland idling and groundwater substitution. The transfers could originate in Colusa, Glenn, Sacramento, Shasta, Sutter, Tehama, or Yolo counties. The transfer buyers could be in Colusa, Glenn, Tehama, or Yolo counties.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

See attached Mitigated Negative Declaration and Initial Study.

Revised September 2011

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

N/A

Provide a list of the responsible or trustee agencies for the project.

CEQA Lead Agency: Tehama-Colusa Canal Authority
NEPA Lead Agency: U.S. Bureau of Reclamation
