Project Title: City of Grover Beach Safety Element Update

Lead Agency: City of Grover Beach

Contact Name: Bruce Buckingham, Community Development Director

Email: bbuckingham@groverbeach.org Phone Number: 805-473-4520

Project Location: City of Grover Beach, San Luis Obispo County
City *County*

Project Decription (Proposed actions, location, and/or consequences).

Location: The proposed update would apply citywide within the boundaries of the city of Grover Beach. The city encompasses approximately 2.25 square miles of southern San Luis Obispo County and is located south of Pismo Beach, north of Oceano, and west of Arroyo Grande. United States Highway 101 is located along the northern boundary of the city and State Route 1 runs parallel to the western boundary, between the urban city and the Pacific Ocean.

Project Description:
Government Code Section 65302 requires that a city's general plan include the following elements: land use, circulation, housing, conservation, open space, noise, safety, and environmental justice. The goal of the safety element is to reduce the potential short and long-term risk of death, injuries, property damage, and economic and social dislocation resulting from fires, floods, droughts, earthquakes, landslides, climate change, and other hazards (Governor's Office of Planning and Research 2017). The Safety Element update includes the following components: Hazards Assessment; Safety and Hazard Mapping; Climate Change Vulnerability Assessment; Goals, Policies, and Implementation.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

None.

Revised September 2011

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No known areas of controversy.

Provide a list of the responsible or trustee agencies for the project.
