Project Title: Ventura County Medical Center Parking Lot Improvements

Lead Agency: Ventura County Public Works Agency

Contact Name: Devi Nallamala

Email: devi.nallamala@ventura.org Phone Number: 805-658-4354

Project Location: Ventura (*City*) Ventura County (*County*)

Project Description (Proposed actions, location, and/or consequences).

The approximately 1.7-acre parking lot would be composed of asphalt concrete and include the following features:
• 139 standard parking spaces (9 by 18-foot).
• Two bi-directional access driveways from Hillmont Avenue.
• Ten LED light fixtures mounted on 28-foot-tall light standards, focused downwards to provide security lighting.
• Trees will be provided in parking islands throughout the proposed parking lot.
• Irrigated landscaping along Hillmont Avenue (approximately 10 feet wide, or about 3,600 square feet).
• A 6,175 square foot storm water treatment area to detain and treat storm water run-off including a percolation basin/vegetated bio-swale.
• Screening landscaping immediately east of the storm water treatment area (approximately six feet wide, or about 570 square feet).

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

No significant impacts were identified.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No controversy is known to the lead agency

Provide a list of the responsible or trustee agencies for the project.

Trustee agencies include the Ventura County APCD, California Department of Fish and Wildlife and Regional Water Quality Control Board.
