Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: Aquabella Specific Plan Amendment Project

Lead Agency: City of Moreno Valley

Contact Name: Julia Descoteaux

Email: juliad@moval.org Phone Number: (951) 413-3206

Project Location: Moreno Valley (*City*) Riverside (*County*)

Project Description (Proposed actions, location, and/or consequences).

The Project would continue to implement a mixed-use residential community on the Project site with commercial uses, a lake complex and lake promenade, and other amenities, while modifying residential uses to better help the City meet local and regional housing goals. The Aquabella Specific Plan Amendment (Amendment 2) would provide a comprehensive update to land use and other plans, site development standards, design guidelines, and implementation measures necessary to implement the new vision for the Aquabella mixed-use planned community. The proposed Specific Plan Amendment (Amendment 2) would amend Specific Plan 218 to develop the remaining 673.2 acres of the site with multi-family and workforce housing options, while providing a town center for recreation, shopping, and entertainment. The proposed Project would include phased development of 15,000 multi-family and workforce housing options for all ages and income levels; a 49,900 square foot mixed-use commercial and retail town center; 80 acres of parks (comprised of a 40-acre lake, a 15-acre lake promenade, and an additional 25 acres of parks); and 40 acres of schools, with up to three elementary school sites and one middle school site. Updated public services and facilities; infrastructure improvements; and other amenities would also be included.The proposed Project would add two parcels totaling 14.6 acres on the eastern boundary of the site to the Specific Plan area and remove areas that have already been improved per the Specific Plan.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The Subsequent EIR will include an evaluation of the following environmental issues:
Aesthetics; Agriculture and forestry resources; Air quality; Biological resources; Cultural resources; Energy; Geology and soils; Greenhouse gas emissions; Hazards and hazardous materials; Hydrology/water quality; Land use and planning; Mineral resources; Noise; Population/housing; Public services; Recreation; Transportation; Tribal cultural resources; Utilities and service systems; and Wildfire. All feasible mitigation measures as appropriate will be discussed in the SEIR.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

N/A

Provide a list of the responsible or trustee agencies for the project.

If the City approves the proposed Project, subsequent implementation of various project components could require discretionary approval authority from responsible agencies that may include, among others: (a) Santa Ana Regional Water Quality Control Board, (b) State Water Resources Control Board; (c) California Department of Fish and Wildlife, (d) South Coast Air Quality Management District, (e) U.S. Fish and Wildlife Service, and (f) U.S. Army Corps of Engineers.
