Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: Westside Industrial Project by Seefried Industrial Properties (PP24402);

Lead Agency: Kern County Planning and Natural Resources

Contact Name: Mark Tolentino

Email: tolentinom@kerncounty.com Phone Number: 661-862-5041

Project Location: Bakersfield (*City*) Kern (*County*)

Project Description (Proposed actions, location, and/or consequences).

The Westside Industrial Project is a proposal by Seefried Industrial Properties for the construction and operation of a warehouse and distribution facility. The proposed project would include the construction of an approximately 653,442-squarefoot single-story warehouse and related site improvements, including but not limited to, perimeter security fencing and nighttime directional lighting at the on-site warehouse and distribution facility, new pavement, curb and gutter, and sidewalk on frontage roads with associated signing and markings, office, break and ancillary space. The proposed project located on an approximately 93.74-acre portion of an approximately 630 total-acre parcel, and is bounded by Wible Road (west), Houghton Road (north), and agricultural land (south and east). The project site is approximately 1.3 miles south of the City of Bakersfield, in unincorporated Kern County. Regionally, the project site is located within the Kern County, Metropolitan Bakersfield General Plan (unincorporated Planning Area) within the City of Bakersfield Sphere of Influence (SOI).

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Provide a list of the responsible or trustee agencies for the project.
