Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: 2023120465

Project Title: Migratory Game Bird Hunting (Waterfowl, American Coot, and Common Moorhen Hunting)

Lead Agency: California Fish and Game Commission

Contact Name: Melanie Weaver, CDFW*

Email: Waterfowlmgmt@wildlife.ca.gov Phone Number: 916-502-1139

Project Location: statewide

City *County*

Project Description (Proposed actions, location, and/or consequences).

Waterfowl, coot, and moorhen, specifically a potential modification to the current hunting regulations which may include season and or bag limit changes and closed seasons.

* The Commission is the lead agency and the California Department of Fish and Wildlife (CDFW) will prepare the environmental documents for the project consistent with the Commission's certified regulatory program.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The project has no significant or potential significant effects, or proposed mitigation measures that would reduce or avoid that effect.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

There are no known areas of controversy known to the California Fish and Game Commission regarding annual season adjustments to season length and bag limits on federal frameworks.

Provide a list of the responsible or trustee agencies for the project.

Trustee agencies for the project include the California Department of Fish and Wildlife, and the U.S. Fish and Wildlife Service.
