Subject: Changes to published FAHCE Final EIR (SCH Number 2015022008)

To Whom It May Concern,

On June 30, 2023, the Santa Clara Valley Water District (Valley Water) published the Final EIR for the Fish and Aquatic Habitat Collaborative Effort (FAHCE) project to CEQAnet. However, since publishing the final document, we had to make a few corrections to the document.

We would like to swap out two published files, the "FAHCE FEIR 2023-06 OCR" (i.e., main document) and the "FAHCE FEIR Appendix Volume II 2023-06 OCR", with their updated versions (attached to email). The updated files include the following corrections/changes:

- The "County of Santa Cruz Parks and Recreation Department" has been replaced with the "County of Santa Clara Parks and Recreation Department" in FAHCE FEIR Chapter 6 (Table 6.1-1, page 6-1),
- The "County of Santa Cruz Parks and Recreation Department" has been replaced with the "County of Santa Clara Parks and Recreation Department" in FAHCE FEIR Chapter 6 (page 6-189), and
- The "Draft" watermark for Appendix R in FAHCE FEIR Appendix Volume II has been removed.

Thank you for your assistance with this matter. If you have any questions, please don't hesitate to contact me at RHeacock@valleywater.org or via phone at (408) 630-3202.

Sincerely,

Ryan Heacock
Senior Water Resources Specialist
