**SUBJECT:** Filing of Notice of Determination pursuant to Public Resources Code § 21108.

**State Clearinghouse Number (SCH No.):** 2017052062

**Project Title:** Permit No. 19510: Holman Bridge Project

**Project Applicant:** Holman Investors, LLC

**Lead Agency/Address/Contact Person:** City of Stockton / 425 North El Dorado Street, Stockton, CA, 95202 / Michael McDowell, (290) 937-8690

**Project Location/City/County:** The proposed bridge is located along the northern extension of Holman Road over Bear Creek, about 0.5-mile west of Highway 99 and 0.25-mile south of Eight Mile Road within the City of Stockton, San Joaquin County.

**Project Description:** To construct a new 4-lane (two in each direction) bridge over Bear Creek along the northern extension of Holman Road within the City of Stockton. The proposed bridge will be a 3-span bridge supported by a total of four supports. Both of the abutment supports are proposed to be on the existing levees, while both of the intermediate pier supports are proposed to be within the channel outside the ordinary high-water mark. The proposed project also includes a concrete lining that will be added to the portion of the banks, extending 20 feet minimum beyond the upstream and downstream ends of the piers. The project also provides accommodations for utilities above the levees for a 16-inch water line inside a casing, an 8-inch sewer line inside a casing, a 4-inch gas line inside a casing, two 6-inch electrical conduits, a street light conduit, two 4-inch fiber optic conduits, and two 4-inch conduits for various future communication lines. As part of the construction, falsework/temporary steel and timber supports within the creek will be required along with a temporary creek diversion system.

This is to advise that the CVFPB, as the **Responsible Agency**, approved the above described project on August 27, 2021 and made the following determinations regarding the above described project:

1. The project [ will /  will not] have a significant effect on the environment (This determination is limited to effects within CVFPB's permitting jurisdiction as a responsible agency).
2. [ An Environmental Impact Report /  A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Mitigation measures [ were /  were not] made a condition of CVFPB's approval of the project.
4. A Mitigation Monitoring and Reporting Plan [ was /  was not] adopted by CVFPB for this project
5. A Statement of Overriding Considerations [ was /  was not] adopted by CVFPB for this project.
6. Findings [ were /  were not] made by CVFPB pursuant to the provisions of CEQA.

**Responsible Agency Statement:** This EIR, prepared by the lead agency for the project, is available to the general public at the lead agency's office listed above. CVFPB's administrative record related to the encroachment permit is available for public review at CVFPB's office.
