Present Land Use/Zoning/General Plan Designation:

Land Use: Vacant; Zoning: C-1 Restricted Business; General Plan: CG (General Commercial)

Project Description: (please use a separate page if necessary)

The Project consists of a vesting tentative tract map ("VTTM") to create one multi-family residence lot, a conditional use permit ("CUP") for development of 88 attached residential condominium dwelling units, a yard modification for reduced front yard setbacks and a request to exceed the maximum height within zone C-1 (Restricted Business) on 1.84 gross acres (1.76 net acres). The Project site is currently vacant and unimproved. Approximately 139,281 square feet of habitable living space and surface and subterranean parking areas for 194 spaces used for vehicle parking are proposed to be contained within a five-story, 65 foot height structure. The Project proposes movement of earth material including 28,150 cubic yards of cut, 300 cubic yards of fill and 27,850 cubic yards of export to an approved landfill to be determined. 12,876 square feet of landscaping is proposed.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
