NOTICE OF RECEIPT

**PETITION FOR POST-CERTIFICATION PROJECT CHANGE
AMENDED CARLSBAD ENERGY CENTER PROJECT (07-AFC-06C)**

On February 3, 2020, the Carlsbad Energy Center, LLC, the project owner, filed a post certification petition with the California Energy Commission (CEC) for the Amended Carlsbad Energy Center Project (ACECP). The 527-megawatt (MW) peaking power plant was certified by the CEC in July 2015, and began commercial operation in December 2019. The facility is located at 4600 Carlsbad Boulevard in Carlsbad, San Diego County.

SUMMARY OF PROPOSED CHANGES

The project owner is seeking CEC's approval of a Petition to Amend ACECP Air Quality Conditions of Certification **AQ-14** to modify the turbine shutdown condition definition without a change in permitted shutdown emissions limits and **AQ-40** to modify the permitted carbon monoxide (CO) startup mass emission limit.

This Notice of Receipt has been mailed to the facility's mail list of interested parties and property owners adjacent to the facility site. The petition has been docketed and is available on the CEC's webpage for this facility at:

<https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=07-AFC-06C>.

REVIEW PROCESS

The review process includes an evaluation of the change and the possible significant effect on the environment, compliance with applicable laws, ordinances, regulations and standards and if a change to or deletion of a condition of certification is required.

After staff has completed its independent review and analysis of this petition, staff will publish an assessment for public review and comment. Staff will also provide a written notice of intent to schedule the proposed post-certification project change to be heard for consideration by the CEC at a regularly scheduled business meeting.

PUBLIC PARTICIPATION

Any person may comment or file an objection. To use the CEC's electronic commenting feature, go to the CEC's webpage for this facility, cited above, click on the "Submit e-Comment" link, and follow the instructions in the on-line form. Be sure to include the facility name in your comments.

Written comments may also be mailed or hand-delivered to:
