**Project Description:** Operational enhancements at the existing Recycle Transfer Station/Mt. Diablo Resource Recovery Park, which includes a Master Plan for the addition of 449,900 square feet of development for a total of 570,580 square feet. Development would be constructed in eight phases to be completed over a 20-year period. The intent of the project is to comply with both current and anticipated state and federal standards regulating the processing of waste material. The City adopted a Second Addendum for this project on September 20, 2021, and

approved the final project component on October 4, 2021.

This is to advise that on October 4, 2021, the City of Pittsburg as lead agency approved the above described project, and made the following determinations regarding the project:

1. An EIR for the Mount Diablo Resource Recovery Park Project was certified on May 26, 2015.
2. A Statement of Overriding Considerations was adopted for the 2015 project.
3. Findings were made pursuant to the provisions of CEQA.
4. The proposed project does not involve new significant impacts or substantially more severe impacts.
5. There are no new circumstances involving new significant impacts or substantially more severe impacts.
6. There is no new information available requiring new analysis or verification.
7. Mitigation measures were incorporated into issuance of approvals for the project.
8. A mitigation reporting or monitoring plan was adopted for this project.
9. An Addendum and Second Addendum to the EIR was adopted for this project.
10. A copy of the EIR Addendum and record of project approval is available to the general public at the City of Pittsburg Planning Division, located at 65 Civic Avenue, Pittsburg, CA.
