Project Description

This addendum updates the 2018 Delta Plan Amendments Program EIR (SCH# 2017032048). Changes have been made to the Delta Levees Investment Strategy (DLIS) Amendment portion of the project to incorporate new elevation data, updated hydrology, updated levee fragility curves, adjustments to levee investment priorities for Delta islands and tracts, and modified preliminary draft regulatory language for Delta Plan Policy RR P1. These changes would not result in any new or substantially more severe impacts than those disclosed in the. None of the conditions or circumstances that would require preparation of a subsequent or supplemental EIR pursuant to Public Resources Code section 21166 and CEQA Guidelines section 15162 exists as a result of the proposed revisions.
