**Present Land Use/Zoning/General Plan Designation:**

**Project Description:** (please use a separate page if necessary)  
The proposed Hearn Veterans Village ("Project") is located on a 2.01-acre parcel at 2149 West Hearn Avenue in the City of Santa Rosa (APN 134-011-012; -013). Community Housing Sonoma County (CHSC) is proposing to subdivide the property into four individual lots. The existing transitional housing facility and duplex for veterans, operated by Nation's Finest, formerly Vietnam Veterans of California, will be maintained on an independent, approximately 1.04-acre parcel and is currently in the process of obtaining a lot line adjustment (LLA20-009). In compliance with the RR-20 zoning designation, the four new vacant parcels created for the Hearn Veterans Village will range in size from approximately 20,000 to 25,000 square feet. The Project includes four six-bedroom detached residential units and four two-bedroom detached accessory dwelling units, one of each type on each proposed lot. Each residential unit includes bedrooms with individual bathrooms and counter space with a sink. A full kitchen, laundry room, living room, dining room, and office space are provided in each unit and will be shared among occupants. The four six-bedroom and four two-bedroom units will provide permanent housing for 32 residents including homeless veterans, one onsite property manager, and four peer managers under the State Veterans Housing and Homelessness Prevention Program (VHHP) with services provided by Nation's Finest and Housing and Urban Development (HUD) Veterans Affairs Supportive Housing (VASH) staff. Onsite amenities include outdoor recreation, gathering areas, parking, and landscaping.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
