## MEMORANDUM

February 15, 2022

To: State Clearinghouse, Governor's Office of Planning & Research  
From: Christian Murdock, Deputy Planning Director ([cmurdock@pacifica.gov](mailto:cmurdock@pacifica.gov))

**Subject: Updated Posting for City of Pacifica General Plan Update and New Sharp Park Specific Plan Draft Environmental Impact Report (DEIR) – SCH # 2012022046 (NOP SCH# 2020089010)**

On January 10, 2022, the State Clearinghouse posted a Notice of Availability (NOA) of a DEIR for the City of Pacifica's ("City") General Plan Update and Sharp Park Specific Plan project ("Project"). Subsequently, the City of Pacifica has decided to extend the public review and comment period on the DEIR for an additional 15 days, ending on March 8, 2022, in response to public requests for additional review time. The public has also requested a hyperlinked "interactive" table of contents to facilitate its convenient review of the DEIR.

Concurrent with posting an updated NOA to reflect the extended public review and comment period, the City would like to update the DEIR currently posted on the State Clearinghouse to incorporate the additional functionality of an interactive table of contents. The substantive content of the currently posted DEIR would not otherwise change.

An additional State Clearinghouse number was mistakenly created at the time of the 1/10/2022 NOA release, SCH #2012022046. The original NOP, filed on August 11, 2020, uses the State Clearinghouse number SCH#2020089010. The City requests that these numbers be reconciled.

Please advise on how to proceed with this request. You may contact the City's CEQA consultant, Alison Moore, at [alison@dyettandbhatia.com](mailto:alison@dyettandbhatia.com) with any questions. Thank you.
