Project Title: Metro Gold Line Foothill Extension Project Phase 2B (Azusa to Montclair)

Project Applicant: Metro Gold Line Foothill Extension Construction Authority

Project Location (include county): The project would provide Light Rail Transit (LRT) service from the City of Azusa in Los Angeles County to the City of Montclair in San Bernardino County

Project Description:

Modifications to the Project to construct surface parking lots (instead of enclosed parking structures, as previously approved) at the Glendora, San Dimas, La Verne, and Pomona Stations. Constructing surface lots would reduce the number of available parking spaces. Two Claremont options will be considered wherein reduced parking is accommodated either fully in a parking structure or via parking surface lot combined with leasing of additional parking spaces from available locations within 1/4 mile of the Claremont Station. Multiple scenarios that include interim and full build terminus station conditions will be evaluated.
