Present Land Use/Zoning/General Plan Designation:

existing parking lot and vacant buildings. Zoning is Light Industrial and General Plan Land Use is Transit Employment Center (TEC)

Project Description: (please use a separate page if necessary)

The City of San José, as the owner of the subject property, proposes to remove all existing on-site buildings and construct an approximately 325-space surface parking lot. The proposed parking lot is intended to replace existing parking serving events at the nearby SAP Center at San José that will be lost due to future planned development within Downtown San José. The plans for the proposed parking lot are currently being developed; therefore, the total number of parking spaces provided is subject to change. Driveways onto North Autumn Street and West St. John Street would provide ingress and egress to the proposed parking lot.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
