Project Description: This is an addendum to the previously adopted EIR (SCG: 2015122071) to replace the existing Tier 4 Final grinder with a Tier 4 Interim C32 Caterpillar grinder (serial number BDN03676). This grinder will be used at both the Recology Ostrom Organics compost facility and the adjacent Recology Ostrom Road Landfill for the purposes of grinding green waste material and wood waste material for compost reuse.

There would be no change to any other project activities described in the EIR project description and it was determined by the FRAQMD that the proposed equipment replacement would not result in exceedance of any significance Air Quality thresholds reviewed under the EIR. All mitigation measures currently in place will remain in place.

This is to advise that the Yuba County Planning Commission approved the above-described project on October 17, 2018, and has made the following determinations regarding the above described project:

1. The project will will not have a significant effect on the environment.
2. An environmental impact report (EIR) was prepared and certified for the project pursuant to the provisions of California Environmental Quality Act (CEQA).
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not made a condition of project approval.
4. A mitigation reporting or monitoring plan was was not adopted for this project.
5. A Statement of Overriding Considerations was was not adopted for this project.
6. Findings were were not made pursuant to the provisions of CEQA

This is to certify that the Environmental Impact Report and record of project approval is available to the General Public at the Yuba County Planning Department office, 915 8th Street, Suite 123, Marysville, CA 95901-5273
