Lio/Janna,

Per the update provided on yesterday's Fountain call, please find attached an excel document that lists the past, present and future THPs associated with the Fountain project area. Please note this information was provided by LandVest and is based on their records. The CalTrees website (<https://caltreesplans.resources.ca.gov/caltrees/>) can be used to search for available documentation associated with each. Also attached is a zipped folder that contains shapefiles depicting the geographic extent of the THPs.

Please let me know if you have any questions.

John
