Dean C. Logan, Registrar – Recorder/County Clerk

Electronically signed by TODD TRAN

NOTICE OF DETERMINATION

To: County Clerk, County of Los Angeles
12400 Imperial Highway
P.O. Box 1208
Norwalk, CA 90651-1208

Subject: Filing of Notice of Determination in Compliance with Section 21152 of the Public Resources Code.

Project Title: Food Waste Receiving and Digestion Program at the Joint Water Pollution Control Plant (JWPCP)

Project Location: Located in the City of Carson, within the Joint Water Pollution Control Plant

Project Description: Addendum No. 2 addresses changes to the Final Initial Study/Mitigated Negative Declaration (Final IS/MND) for the Project and involves increasing the size and capacity of the second Biogas Conditioning System (BCS-2) to provide additional biogas processing capacity to allow for pipeline injection. The proposed modifications to BCS-2 are necessary to accommodate the District's Compressed Natural Gas fueling station at the corner of Figueroa Street and Sepulveda Boulevard as well as pipeline injection of biogas into Southern California Gas Company's pipeline in Figueroa Street. As part of the pipeline injection component of the Modified Project, a new pipeline and point-of-receipt equipment will be constructed. The modifications would require a minor location change, new construction, and minor process and operational changes.

Contact Person: Nan Natanom-Harrold, Civil Engineer, Planning and Property Management Section
(562) 908-4288, x 2737, wnatanomharrold@lacsdc.org

On October 25, 2023, the Board of Directors of the District approved the Project and made the following determinations regarding the Project:

1. The Project will not have a significant effect on the environment.
2. A second Addendum to the Final IS/MND, which reflects the independent judgement and analysis of the District, was prepared for this project pursuant to the provisions of California Environmental Quality Act (CEQA).
3. Mitigation measures are a condition of approval of this Project and a mitigation monitoring and reporting program has been approved for the Project.

Addendum No. 2 to the Final IS/MND is available to the general public at the District's Joint Administration Office located at 1955 Workman Mill Road, Whittier, California 90601.

Date: October 26, 2023

Robert C. Ferrante
Chief Engineer and General Manager
