SUBJECT: State Clearinghouse Number 2011081042

The Department of Regional Planning (DRP) has ushered three housing ordinances through public hearing. Each had an environmental review through an Addendum to the General Plan Update Environmental Impact Report (EIR), which has the SCH number 2011081042. Staff has submitted the Notice of Determination and Addendum to the General Plan EIR for each of the three housing ordinances. After submission of the Notice of Determination (NOD) and Addendum to the General Plan Update EIR for the first housing ordinance, the Project Title of SCH 2011081042 changed to the title of that ordinance (By Right Housing Ordinance). Staff subsequently noticed the change when submitting the NOD and Addendum to the General Plan Update EIR for the other two housing ordinances.

This letter is a formal request for your staff to revise the Project title of SCH 2011081042 back to the original title (General Plan Update EIR) for the documents for each of the three housing ordinances (By Right Housing Ordinance; Interim and Supportive Housing Ordinance; Affordable Housing Preservation Ordinance). Additionally, please revise the Project Description so that "By Right Housing Ordinance Addendum to the General Plan EIR" becomes "General Plan Update EIR."
