Project Title: Diamond Springs Parkway Phase 1B (Streambed Alteration Agreement EPIMS Notification No. ELD-50605-R2)

Project Location: The Project is located approximately 0.7 miles between Missouri Flat Road and State Route 49 in the community of Diamond Springs of El Dorado County.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number ELD-50605-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, El Dorado County.

The project is limited to the grading and construction of approximately 0.7 miles of a 4-lane arterial roadway between Missouri Flat Road and State Route 49 in the community of Diamond Springs. Project roadway construction would include the installation of drainage inlets and culverts, as well as the removal of existing culverts at five locations. Individual drainage crossings along the Parkway corridor would consist of closed conduit culverts and open bottom culvert crossings. Work activities will include excavation, grading, paving, storm drain improvements, utility work, and traffic signals. Existing trees and vegetation will be cleared/grubbed within the footprint of the proposed roadway. Construction of the roadway would also require minor improvements and/or realignment of Throwita Way, Bradley Street, and Old Depot Road.

This is to advise that CDFW, acting as a Responsible Agency, executed the above Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).

Notice of Determination

3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
