***SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108***

**State Clearinghouse Number:** 1999062020

**Project Title:** 4B/7 16<sup>th</sup> Street Shared Sewer #8 (Infrastructure Segment L) (Streambed Alteration Agreement Notification No. 1600-2018-0204-R2)

**Project Location (include county):** The project is located at an unnamed tributary to Steelhead Creek, in the County of Placer, State of California; Section 10, Township 10N, Range 5E; U.S. Geological Survey (USGS) Rio Linda map, California; Latitude 38.738532, Longitude - 121.428446.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has extended Streambed Alteration Agreement Notification Number 1600-2018-0204-R2, pursuant to section 1602 of the Fish and Game Code to the project Permittee, Placer Vineyards Central Group, LLC. The Permittee has requested, and CDFW has granted, a five-year extension pursuant to Fish and Game Code section 1605, subdivisions (b) and (d).

The project is a component of the Placer Vineyards Specific Plan (PVSP), a 5,230-acre specific plan project, which includes on- and offsite infrastructure elements. The proposed Segment L Infrastructure Project (Segment L Project) is a 5.66-acre component of the PVSP Backbone Infrastructure, which includes onsite infrastructure elements required for the development of the PVSP, specifically, an approximately 1,620-foot stretch of 18-inch sanitary sewer line to be buried within an associated 14-foot-wide temporary maintenance road. The activities proposed within the larger 5.66-acre project boundary of the Segment L Project area, for which immediate authorization is sought by this Agreement, are limited to the installation of the sewer line and associated maintenance road.

This is to advise that CDFW, acting as a Responsible Agency, extended the above Streambed Alteration Agreement extension on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

**Notice of Determination**

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of extension of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
