Project Title: Whittier Boulevard/Santa Fe Springs Road Intersection Improvement Project

Project Applicant: City of Whittier

Project Location (include county): City of Whittier, County of Los Angeles

Project Description:

Since the adoption of the Final MND and Mitigation Monitoring and Reporting Program in 2017, minor changes have occurred to the Project as part of the final design process for the roadway, landscaping, and ROW. These changes will reduce and/or eliminate environmental impacts that had been discussed in the Final MND and Mitigation Monitoring and Reporting Program and will result in reduced environmental footprint. An addendum has been prepared for the intersection improvement project.

This is to advise that the City of Whittier has approved the above (Lead Agency or Responsible Agency)

described project on October 11, 2022 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

City of Whittier, 13230 Penn Street, Whittier, California 90602
