State Clearinghouse Number: 1992013051

Project Location: 3110 Busch Road, Pleasanton, CA 94566

County: Alameda

Project Applicant: Anthony G. Macchiano, Operations Manager, Pleasanton Garbage Transfer Station

Project Description: The Department of Toxic Substances Control (DTSC), pursuant to Section 25143 of the Health and Safety Code and Section 66260.210 of the California Code of Regulations Title 22, has issued a variance to Pleasanton Garbage Transfer Station to . The applicant may accumulate and transport treated wood waste to an authorized handler or disposal facility. The variance allows treated wood waste to be managed under procedures different from, but equally protective to human health and the environment to, the provisions of California Health and Safety Code (HSC) Articles 6, 6.5 and 9 of Chapter 6.5 and California Code of Regulations (CCR), Title 22, Division 4.5, Chapters 12, 13, 14, 15, 16, 18, and/or 20. Under the terms and conditions of Variance TWW-2021-HT-00130, Pleasanton Garbage Transfer Station will ensure the treated wood waste will be appropriately managed. The variance will expire on September 8, 2021 with possibility of extension for an additional six months.

As Responsible Agency under the California Environmental Quality Act (CEQA), DTSC approved the above-described project on March 12, 2021 and has made the following determinations:
