SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2016092028

Project Title: Washington Boulevard/Andora Bridge Improvement - Phase 1 (Streambed Alteration Agreement No. 1600-2020-0013-R2)

Project Location (include county): The project is located at four crossings of Sierra View Tributary and unnamed tributaries to South Branch Pleasant Grove Creek, in the County of Placer, State of California; within portions of Sections 27, 28, and 34, Township 47E, Range 11N, U.S. Geological Survey (USGS) map 'Roseville', Mt. Diablo base and meridian.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement number 1600-2020-0013-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, the City of Roseville, as represented by Beth Taylor.

The project is limited to the replacement of three existing culverts and installation of one new double culvert to support road widening and bike/pedestrian path construction along a 1.45-mile section of Washington Boulevard. A 0.85-mile, two-lane section of Washington Boulevard between Sawtell Road and Pleasant Grove Boulevard will be widened to four lanes, and an existing on-street bike path on the east side of Washington Boulevard will be extended from a point approximately 150 feet south of Diamond Oaks Road to All-America City Boulevard.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
