NOTICE OF DETERMINATION

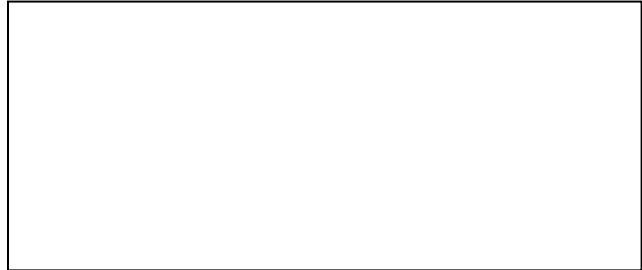

Date: April 23, 2024

File Number: PLNG-2023-0134

To: County Clerk
Santa Clara County
70 West Hedding Street
San Jose, California 95110

From: Planning Division
City of Sunnyvale
P.O. Box 3707
Sunnyvale, California 94088-3707

X Office of Planning and Research
1400 Tenth Street, Room 121
Sacramento, California 95814

SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

Project Title: Addendum to the 1999 Arques Campus Specific Plan EIR: Applied Materials Phase 1 Project

#1998092072 (Arques Campus Specific Plan EIR) and #2012032003 (LUTE EIR) Cindy Hom 408-730-7411
State Clearinghouse Number Contact Person Telephone Number

Project Location (APN): The property is located at 974 East Arques Avenue (APNs: 205-36-006, -007 and -008); 928-930 East Arques Avenue (APN: 205-35-017); 222, 230 and 242 Commercial Street (APNs: 205-35-006, 007 and 008, respectively) and 930 East California Street (APN 205-35-003).

Project Description:

USE PERMIT: to demolish an existing recreation center, surface parking lot, and six-level parking structure to allow a new 592,567 square-foot research and development (R&D) building along Central Expressway; demolition of four buildings (928 East Arques Avenue, 242 Commercial Street, 230 Commercial Street, and 222 Commercial Street) to allow for a new seven-story parking structure along Commercial Street; demolition of one building at 930 East California Avenue to allow for the expansion of an existing PG&E electrical substation; and installation of associated site improvements around the proposed R&D building and parking structure. The site would retain four existing industrial/office/R&D buildings, including an office building (930 East Arques Avenue), Building 81 (974 East Arques Avenue), Building 85 (978 East Arques Avenue), and a central utility plant. The project includes merging seven existing lots to form a larger campus parcel, with one existing lot remaining at 222 Commercial Street.

VARIANCE: to exceed the maximum height limit and floor plate sizes in the Arques Campus Specific Plan.

This is to advise that the City of Sunnyvale has approved the above described project on April 22, 2024 and has made the following determination regarding the above described project:

- 1. The Project [X will] will not] have a significant effect on the environment.
2. X An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
A Mitigated Negative Declaration was prepared for this project pursuant to the provision of CEQA.
3. Mitigation measures [X were] were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [X was] was not] adopted for this project.
5. A statement of Overriding Considerations [X was] was not] adopted for this project.

6. Findings [were were not] made pursuant to the provisions of CEQA.

The Arques Campus Specific Plan Final EIR, Land Use and Transportation Element (LUTE) EIR, and Addendum to the Arques Campus Specific Plan EIR: Applied Materials Phase I and record of project approval are available to the general public at: Community Development Department, City Hall, 456 West Olive Avenue, Sunnyvale, California 94087.

Addendum to the Arques Campus Specific Plan Program EIR

- Pursuant to Section 15164(a) of the CEQA Guidelines, the City of Sunnyvale prepared an Addendum to the Arques Campus Specific Plan Program EIR. The project is consistent with the development density established by the Arques Campus Specific Plan. With the implementation of applicable mitigation measures and the application of uniformly applied development standards and policies, the project would not result in new significant environmental impacts or substantially more severe impacts than were identified in the Arques Campus Specific Plan EIR, nor would there be new feasible mitigation measures or alternatives that reduce impacts but that the City declines to adopt. The findings of the Arques Campus Specific Plan EIR remain valid. All applicable mitigation measures would continue to be implemented with the project. The Addendum concludes that no additional environmental review is required per Section 15162 of the CEQA Guidelines.
- The Arques Campus Specific Plan Program EIR was approved and NOD was filed as shown in Attachment 1.
- As per Fish and Wildlife and California Code sections: Only one filing is required for each project, even if multiple notices of determination are filed for a project, unless the project is tiered or phased or separate environmental documents are required [(Fish and Wildlife 711.4 (g); 14 California Code of Regulations 753.5 (e)(3)]. The fee must be paid with the first notice of determination that is filed; the applicant must attach copies of the receipt to any additional notices of determination required for the project [(14 California Code of Regulations 753.5 (e)(4)]. The County Clerks and Office of Planning and Research are required to maintain records of all environmental documents received, and remit the filing fees monthly to the Department of Fish and Wildlife [(Fish and Wildlife 7411.4 (e)(1)].

Gail Price

(408) 730-7659

Project Location:

974 Arques Avenue, Sunnyvale (APNs 205-36-006, 007, 008), Santa Clara County

Project Description:

Applied Materials supplies wafer fabrication systems, processes, and services to the semiconductor industry. The Arques Campus Specific Plan would accommodate an expansion of Applied Materials' existing research and development operations by increasing the building floor area on site from about 521,000 gsf to about 1,114,600 gsf. The proposed development would include new space for offices, research, prototype labs, tool testing and demonstrations, a larger cafeteria, a larger recreation center, a conference center, and training rooms. It would involve demolishing some existing structures on site and constructing new buildings, including office/prototype lab buildings and a parking garage. Landscaping and utility improvements are also proposed. The FAR allowed on site would increase to 0.72 from the 0.35 FAR that City zoning presently allows without a use permit.

This is to advise that the City of Sunnyvale has approved the above described
(Lead Agency or Responsible Agency)

project on June 15, 1999 and has made the following determinations regarding the above described project:
(Date)

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A Statement of Overriding Considerations [was was not] adopted for this project.

This is to certify that the final EIR with comments and responses and record of project approval is available to the General Public at:

FINDINGS OF EXEMPTION:

1. This project is in an urban setting.
2. There is no alteration of land or effect on fish or wildlife.

CERTIFICATION:

I hereby certify that the public agency has made the above finding and that the project will not individually or cumulatively have an adverse effect on wildlife resources, as defined in Section 711.2 of the Fish and Game Code.

Project Title: Land Use and Transportation Element (#2016-7708)

Project Applicant: City of Sunnyvale

Project Location (include county): Sunnyvale, Santa Clara County, CA

Project Description:

Land Use and Transportation Element
 The Land Use component of the LUTE addresses how much and where various categories of land use (e.g., housing, commercial, industrial, etc.) can be placed within the City. Note that the Housing Element (Chapter 5), which was updated in 2015, addresses housing affordability. Transportation policies in the draft LUTE focus on a regional approach to reducing vehicle miles traveled, complete streets, alternative transportation modes, and supporting mixed-use development that allows for carlight and car-free living in Sunnyvale. The LUTE accommodates land use and transportation changes in the City of Sunnyvale.

This is to advise that the City of Sunnyvale City Council has approved the above
 Lead Agency or Responsible Agency)

described project on April 11, 2017 and has made the following determinations regarding the above
 (date)
 described project.

1. The project will will not) have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
