Project Title: Marin Emergency Radio Authority Next Gen Radio Communication System, Addendum #1 to the Final Subsequent Environmental Impact Report

Project Location: Marin County, CA

Project Description: In 2019, the Marin Emergency Radio Authority (MERA) prepared a Subsequent Environmental Impact Report (SEIR) for the replacement of the existing MERA Gen 1 public safety radio communications system with the Next Gen system. The Next Gen System involves seventeen (17) sites in Marin County and one (1) site in Sonoma County. On December 12, 2019, the MERA Governing Board certified the Subsequent Environmental Impact Report. SEIR Addendum #1 involves a change at one site, in Tomales, CA. Addendum #1 was prepared to evaluate the deletion of an approx. 705-foot power trench from the project location and the addition of an approximately 50-foot power trench under areas already slated for disturbance at and under the Tomales radio site. The SEIR Addendum #1 was approved by the MERA Governing Board on February 24, 2021.

This is to advise that the Marin Emergency Radio Authority has approved the above-described *Lead Agency* or *Responsible Agency*)

project on February 24, 2021 and has made the following determinations regarding the above described project:
(Date)

1. The project [will will not] have a significant effect on the environment.
2. An Addendum to an Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A Mitigation Reporting or Monitoring Plan [was was not] adopted for this project.
5. A Statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the 2019 Final Subsequent Environmental Impact Report with comments and responses and record of project approval, as well as Addendum #1 is available to the general public at: <https://meraonline.org/final-subsequent-environmental-impact-report/>
