Project Title: Increase Annual Funding for Continued Operations at the Environmental Collection Center at EDCO Recycling and Transfer

Project Applicant: Los Angeles County Public Works

Project Location (include county): Los Angeles County

**Project Description:**

On July 9, 2024, the County of Los Angeles (County) Board of Supervisors (Board) approved an increase in annual funding for the continued operations of the environmental collection center at the EDCO Recycling and Transfer Facility in the City of Signal Hill. Additional funding is needed due to increase costs associated with operating the facility. The projected annual cost will exceed \$1,200,000 with a 20 percent contingency in Fiscal (FY) 2023-2024 and subsequent years. The proposed funding increase is necessary to maintain the current level of service without a reduction of operating hours to meet the demand of the center and provide Los Angeles County residents with a convenient method to properly dispose of household hazardous and electronic waste (HHWE-Waste).

See Attachment A for additional information.

This is to advise that the County of Los Angeles Board of Supervisors has approved the above  
 Lead Agency or  Responsible Agency)

described project on 7/9/2024 and has made the following determinations regarding the above  
 (date)
