Project Location -- City: Unincorporated area of Kern County

Project Location -- County: Kern

Description of Project: Macpherson proposes to rework the wells identified in the Kern County application. We will reconfigure these existing injectors to have a tubing and packer completion where we will inject fluid down the tubing and packer injecting into the Pyramid Hill and also inject down the backside of the packer into the Pyramid Hill (two strings of casing currently isolate the Olcese). Where applicable we will pump cement into the wellbore and squeeze off the perforations and re-perforate.
