Project Title: Addendum No. 1 to the 2003 Program Environmental Impact Report and the 2013 Supplemental Program Environmental Impact Report for the 2024 Water Facilities Master Plan (SCH 2003021052)

Project Applicant: San Diego County Water Authority
4677 Overland Avenue
San Diego, CA 92123-1233
(858) 522-6600

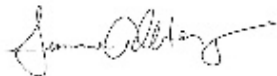

Project Location: San Diego County Water Authority Service Area, which encompasses western San Diego County

Project Description: The San Diego County Water Authority (Water Authority) prepares and updates a water facilities master plan approximately every ten years. The master plan evaluates future water needs and related water conveyance, storage, and treatment infrastructure, with the primary goal to ensure a safe and reliable water supply for the San Diego region. The Water Authority has prepared the 2024 Water Facilities Master Plan, building off the 2003 Regional Water Facilities Master Plan and the 2013 Regional Water Facilities Optimization and Master Plan update, and focuses on asset resilience, system optimization, and infrastructure development through the 2045 planning horizon. The 2024 Water Facilities Master Plan includes two policy updates, two studies, and six infrastructure improvement projects.

This is to advise that San Diego County Water Authority, acting as **Lead Agency**, has approved the above-described project on April 24, 2025 and has made the following determinations regarding the project:

1. The project **will not** have a significant effect on the environment.
2. The environmental impacts of the project were analyzed in a **Program Environmental Impact Report (PEIR), Supplemental Program Environmental Impact Report (SPEIR),** and addenda.
3. The San Diego County Water Authority analyzed the impacts of the project in Addendum Number 1 and concluded that the proposed project would not result in new significant impacts that were not analyzed in the previous environmental documents and would not result in a substantial increase in the severity of significant impacts that were identified in the previous environmental documents.
4. Mitigation measures **were** made a condition of approval of the project.
5. A Mitigation Monitoring and Reporting Program **was** adopted for the project.
6. A statement of Overriding Considerations **was not** adopted for the project.
7. Findings **were** made pursuant to the provisions of CEQA.

This is to certify that the PEIR, SPEIR, addenda, and record of project approval is available to the General Public at the San Diego County Water Authority Administration Building, 4677 Overland Avenue, San Diego, California 92123 and <https://www.sdcwa.org/projects-programs/programs/environmental/>.
