Project Title: Millerton Road Improvement Project: Winchell Cove Road to Sky Harbor Road (California Endangered Species Act Incidental Take Permit No. 2081-2019-060-04 (ITP))

Project Location: The Project site is the road segment along Millerton Road from Winchell Cove Road to Sky Harbor Road, located approximately 6.5 miles north of the City of Fresno, Fresno County.

Project Description: This proposed project involves reconstructing a road segment of Millerton Road, located between its intersections with Winchell Cove Road and Sky Harbor Road, from a two-lane rural roadway to a four-lane arterial roadway with four 12-foot-wide travel lanes, two 6-foot-wide paved shoulders that would function as bike lanes, and 4-foot-wide treated dirt shoulders. A 16-foot-wide median would separate the eastbound and westbound traffic.

The Project will result in impacts to 1.07 acres of California tiger salamander (*Ambystoma californiense*) habitat; the Project will permanently remove 1.07 acres of California tiger salamander habitat. The project is expected to result in incidental take of California tiger salamander, which is designated as a threatened species under the California Endangered Species Act. The ITP referenced above as issued by CDFW authorizes incidental take of species listed under CESA that may occur as a result of Project implementation.

This is to advise that CDFW, acting as [the lead agency / a responsible agency] approved the above-described project on 9/16/2020 and made the following determinations regarding the above-described project:

7. Compliance with the environmental filing fee requirement at Fish and Game Code § 711.4 (check one):
