Subject: Correction of Published Notice of Exemption (NOE) Filed for SCH #201806102

Dear Ms. Knox:

At the request of the State Clearing House the NOE for SCH #201806102 filed by the Central Valley Flood Protection Board (CVFPB) staff on January 14, 2022 has been corrected. The document has been updated stating that the CVFPB has signed the NOE as the lead/public agency. Since the previous NOE has been published State Clearinghouse staff will be making the appropriate changes to the publication including:

1. Changing the public agency listed to CVFPB instead of Caltrans District 10.
2. Contact information listed for CVFPB staff will be changed from responsible to lead agency.

If you have any questions regarding the above items, please contact Andrea Buckley at (916) 574-0332 or by e-mail at Andrea.Buckley@cvflood.ca.gov.

Sincerely,
