Subject: RE: 063-MHU Environmental Document Review-SCH #2007031067-DUE TO STATE CLEARINGHOUSE BY September 24, 2020

Special Projects Section (SPS) recently received the referenced "Notice of Preparation" environmental impact document from the State Clearinghouse outlined in the attached files (memorandum, checklist, and project file) and/or Web site:

<https://ceqanet.opr.ca.gov/Project/2007031067>

Due to the project's geographical proximity to areas within Southern Division, please use the attached checklist to assess its potential impact to local Area/Section operations and public safety.

If IMPACT is determined, responses should be emailed directly to **Mark A. McLoughlin** at CHSRA with a "cc" to SCH and myself.

Please call or e-mail if you have any questions.

Thank you,

Mary
