State Clearinghouse Number: 2016112028

Project Title: Guasch Henry's 707 Stream Crossings and Stream Restoration Project. Lake or Streambed Alteration Agreement No. 1600-2019-0029-R1

Project Location (include county): The project is located within the Iron Creek watershed, approximately 6.7 miles north of the town of Laytonville, County of Mendocino, State of California; Sections 8 & 9, T 22N, R 14W, Mt. Diablo Base and Meridian, in the Iron Peak U.S. Geological Survey 7.5-minute quadrangle; Assessor's Parcel Numbers 056-550-01, 056-550-02, 056-550-03; latitude 39.7800 N and longitude 123.4423 W at stream crossing A (STX-A).

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number 1600-2019-0029-R1, pursuant to Section 1602 of the Fish and Game Code to Dennis Wilburn. The project is limited to five encroachments (Table 1). Five proposed encroachments are to upgrade failing and undersized stream crossings. Work for these encroachments will include excavation, removal of the failing crossings, replacement with new properly sized crossings, backfilling and compaction of fill, and rock armoring as necessary to minimize erosion. For the pond inlet project, the work will be the same as the other stream crossings, except after the culvert is removed, restoration and revegetation of the stream channel will be performed, and no new culvert will be added. Stream Restoration and Revegetation Plan shall be submitted to CDFW for acceptance prior to project implementation.

This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A mitigated negative declaration / negative declaration was prepared for this project pursuant to the provisions of CEQA.
CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
