SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2016112028

Project Title: Foucteau-Rector Reservoir and Water Diversion Project, Lake or Streambed Alteration Agreement No. EPIMS-MEN-24035-R1C

Project Location: The project to be completed is located within the Navarro River watershed, approximately 5 miles southeast of the town of Comptche, County of Mendocino, State of California. The project is located in Section 22, T16N, R15W, Mt. Diablo Base and Meridian; in the Navarro U.S. Geological Survey 7.5-minute quadrangle.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number EPIMS-MEN-24035-R1C, pursuant to Section 1602 of the Fish and Game Code to Anne-Carole Foucteau-Rector.

The project is limited to one encroachment. The encroachment is for assessment, use, and maintenance of an existing on-stream impoundment as described in this Agreement, and maintenance and use of existing water diversion infrastructure. The existing impoundment requires assessment by a qualified, California licensed qualified professional (see conditions 2.24 and 2.25). If substantial required work is identified during the assessment, an amendment to this Agreement, or submission of a new Lake or Streambed Alteration notification, may be required.

Water is diverted for domestic use, including a vegetable garden, landscaping, and an orchard. Work for the water diversion will include use and maintenance of the water diversion infrastructure.

This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A mitigated negative declaration / negative declaration was prepared for this project pursuant to the provisions of CEQA.
CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
