State Clearinghouse Number: 2016112028

Project Title: Boulle Stream Bank Stabilization Project (Lake or Streambed Alteration Agreement No. 1600-2016-0568-R1)

Project Location (include county): The project to be completed is located within the South Fork Eel River watershed, approximately 1 mile southwest of the town of Laytonville, County of Mendocino, State of California. The project is located in Section 13, T21N, R15W, Mt. Diablo Base and Meridian; in the Laytonville U.S. Geological Survey 7.5-minute quadrangle.

Project Description: The project is limited to one (1) encroachment. The encroachment is for stabilization of approximately 100 feet of eroding stream bank, using bioengineering techniques. Rock that was temporarily placed will be removed and staged. A series of rock and brush layer lifts, and a series of live willow siltation baffles will be constructed. In addition, a coir fabric-wrapped soil wedge pinned down with live willow stakes will be constructed and seeded, and trees will be planted at the top of bank. Trees and other plants will be irrigated until established.

The notification also disclosed an existing, appropriately-sized stream crossing culvert, and the use of a well as the water source for the property.

This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. A mitigated negative declaration / negative declaration was prepared for this project pursuant to the provisions of CEQA.
CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record related to the Lake or Streambed Alteration Agreement is available to the public for review at CDFW's regional office.
