Project Title: Addendum #2 to the Berths 302-306 Container Terminal Project

Project Applicant: Fenix Marine Services

Project Location (include county): Berths 302-306, San Pedro, Port of Los Angeles, County of Los Angeles

Project Description:

The proposed Project would expand the on-dock railyard; expand the 2012 Environmental Impact Report (EIR) boundary by approximately nine acres; re-route terminal access; add a new gate; change the use of approximately seven previously assessed acres; continue hydrogen fueling; and demolish three warehouses, a ramp, and tanks. The Project Site is part of Port property located on Terminal Island. The proposed Project will not result in any substantially more severe effects than previously analyzed in the adopted Final EIR.

This is to advise that the Los Angeles Harbor Department has approved the above
(Lead Agency)
described project on May 20, 2021 and has made the following determinations regarding the above
(date)
described project.

1. A Second Addendum to the Berths 302-306 Final Environmental Impact Report, previously adopted by the Board of Harbor Commissioners on June 7, 2012, was prepared and considered for this project pursuant to the provisions of CEQA.
2. There have been no substantial changes in circumstances or new information that would warrant subsequent environmental analysis in accordance with §15164 of the State CEQA Guidelines.

This is to certify that the certified Final ND with comments and responses and record of project approval is available to the General Public at: portoflosangeles.org/environment/environmental-documents
