Title: Ventura Water Supply Project

Applicant: City of Buenaventura

Location: Sovereign land in the Pacific Ocean, adjacent to Marina Park, San Buenaventura, Ventura County.

Description: The projects would develop new water supplies to augment the city's water supply portfolio consistent with the city's recently completed 2017 Comprehensive Water Resources Report and 2015 Urban Water Management Plan. The projects would include an advanced water purification facility, a water conveyance system, groundwater wells, wildlife/treatment wetlands, Ventura Wastewater Reclamation Facility treatment upgrades, and a concentrate discharge facility. The State Lands Commission action is an approval of a 35-year General Lease – Public Agency Use through April 6, 2058.

This is to advise that the California State Lands Commission, as Lead Agency Responsible Agency, approved the above-described project on April 7, 2023, and made the following determinations regarding the project.

- 1) The project will will not have a significant effect on the environment.
- 2) An Environmental Impact Report (EIR) was prepared pursuant to the provisions of CEQA.
- 3) Mitigation measures were were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan was or was not adopted for this project.
- 5) A Statement of Overriding Considerations was was not adopted for the project.
- 6) Findings were were not made pursuant to the provisions of CEQA.

The lead agency for the project, City of Buenaventura (City), certified the Environmental Impact Report (EIR) and Mitigation Monitoring and Reporting Program and approved the project on October 14, 2019. The California State Lands Commission has considered the EIR as prepared for this project by the City and adopted an independent Mitigation Monitoring Program incorporating the City's document. The EIR and the record of project approval may be examined at the above shown California State Lands Commission Sacramento office address.
