Project Title: Solaire FD-5 Drainage Outfalls (Lake and Streambed Alteration Agreement EPIMS Notification No. PLA-24798-R2)

Project Location (include county): The project is located at Federico Creek, a tributary to Curry Creek, in the County of Placer, State of California; approximately centered at Latitude 38.765941, Longitude -121.380793 (WGS 84 datum, decimal degrees). The project is located in the northwestern portion of the Sierra Vista Specific Plan Area, southwest of the intersection of Market Street and Earl Rush Drive, in western Roseville.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement EPIMS Notification No. PLA-24798-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Solaire Community Builders, LLC.

The project is limited to the installation of two (2) storm water outfalls and water quality swales required for the Federico Westpark Project. The project will result in temporary impacts to 0.13 acres of Federico Creek which will be restored following construction. Ruderal upland vegetation within the project area is comprised of non-native grasses and forbs. No woody riparian vegetation will be impacted by the project.

This is to advise that CDFW, acting as a Responsible Agency, executed the above Lake and Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Lake and Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
